Heroes serve their community.

Brickerville Deputy Chief Matt Sherk

Be a hero and join our team!

One of the most important missions of the Warwick Emergency Services Commission (WESC) is to fill the dire need for volunteers. Our volunteers are your neighbors, your co-workers, your friends, and possibly even your family members. These are the heroes who come to the rescue and save lives — in fires, car accidents and even natural disasters.

WESC is seeking:

Firefighters • Fire Police • Ambulance personnel • Record Keepers
Fundraisers • Accountants • Grant writers • IT Service personnel
