

Warwick Township
TREE/BENCH DEDICATION INFORMATION

Individuals interested in dedicating a tree or bench within the Dean L. Saylor Memorial Park (formerly the Warwick Township Linear Park), Lions Park, or at the Municipal Campus, should complete the form below and return it to the Warwick Township Office, 315 Clay Road, P.O. Box 308, Lititz, PA 17543.

The cost to dedicate a new tree is the actual cost incurred by the Township to purchase a tree. The Public Works Superintendent will confirm this cost for you. The cost to dedicate an existing tree is \$125.00 (which reimburses the cost of the tree).

A bench made of recycled plastic may also be dedicated. The cost of a bench is approximately \$700.00. The Public Works Superintendent will confirm the cost for you (this cost does not include any engraving or delivery costs).

In order to provide continuity in the park system, the Township will provide the tree/bench and the labor to plant/install. In most instances, the type of tree will be a Red Maple, Red Oak or Pin Oak (only native species will be planted). In addition, the Township will select a suitable location for the tree/bench (usually along a walking trail).

If you wish, you may request a specific location for your tree/bench; however, the Public Works Superintendent will need to confirm the location. The Township will advise you of the exact location of the tree/bench when it is planted/installed. **The care and maintenance of the tree/bench will be provided under the direction of Warwick Township. Please be aware that the Township is not responsible for any damage to the tree/bench or disease that affects the tree. Any damaged tree/bench or diseased tree can be replaced with an in-kind tree/bench at the expense of the original donor or other individual(s).**

If you will be ordering a dedication plaque for a tree, please request mounting hardware so it can be set in concrete. Please bring the plaque to the Warwick Township Office and the Public Works Department will install the plaque.

Please Note: The Township is unable to specify dates when trees and plaques will be installed since these are done as time and weather permit.

NAME _____

ADDRESS: _____

CITY: _____ **STATE:** _____ **ZIP:** _____

EMAIL: _____

DAYTIME TELEPHONE #: _____

I wish to:

- _____ Dedicate an existing tree (please enclose a check for \$125.00)
- _____ Dedicate a new tree (you will be advised of the actual cost)
- _____ Dedicate a bench (you will be advised of the actual cost)

Please indicate your park preference for the tree/bench:
