Warwick Region Joint Strategic Plan Update

As many of you know, the Warwick Region Joint Strategic Plan comprised of Lititz Borough, Warwick Township and Elizabeth Township will be updated during 2023 and public input is critical to the success of the plan. The update will be discussing important topics such as Housing, Economic Development, Community Services & Quality of Life as well as Built and Natural Infrastructure. All of these topics have a direct impact on residents in the region and we are asking you to please be part of the conversation.

The Strengthening Communities 2030 website is <https://www.strengtheningcommunity2030.com> and will contain links to all the happenings including meeting locations, agendas, minutes, audio recordings, public surveys etc.

Shape the Region

The Strengthening Communities 2030 Facebook page can be found at www.facebook.com/strengtheningcommunity2030

The Strengthening Communities 2030 public meeting dates are listed below; all of the locations will be announced on our website & Facebook page when they are finalized. Mark your calendar & save the dates now!

Public Meeting #6	Review Draft Update	10/12/2023 at 7:00pm

An Enduring Tribute to Your Veteran's Service

Commemorate your veteran's valiant service to our nation with a personalized memorial brick paver to be displayed for all time at the Veterans Honor Park of Lancaster County, located next to the Lititz Public Library.

To purchase your memorial brick paver online, visit www.vetshonorparklanco.org, click on "Memorial Brick" and follow the simple instructions.

Memorial brick paver orders are placed with the manufacturer in January, April, July and October, and ordinarily require one month from the order date to be produced and installed.

The Recycling Myth

A common misconception people have about recycling is they

think it means placing items in their recycling bin - often, as much as possible. However, recycling is actually a system of collecting and processing used materials that still have value, in order to transform them into new products. This means not everything is recyclable. And just because a product has a recycling symbol on the bottom does not mean it's recyclable. So, why is it important to debunk the recycling myth? Though most of us are well-intentioned, when we put materials in the bin that don't belong, we're actually contaminating the recycling stream, which negatively impacts our environment and economy. We need your help to recycle right! For more information, visit our website at www.warwicktownship.org/recycling.

JUST FOCUS ON THE **BIG 4!** PLACE **ONLY** THESE ITEMS IN YOUR BIN.

1

CORRUGATED
CARDBOARD

Flattened

2

PLASTIC BOTTLES
& JUGS WITH NECKS

Emptied, Rinsed, & Lids Removed

3

METAL FOOD &
BEVERAGE CANS

4

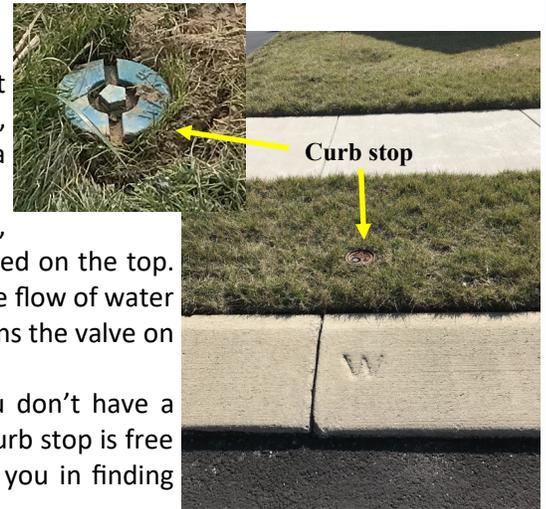

GLASS JARS
& BOTTLES

Curb Stops

WTMA would like to advise all customers with a water connection that it is very important to not only know where your curb stop is located, but also to have your curb stop accessible to our staff should there be a need to turn off the water service to your property.

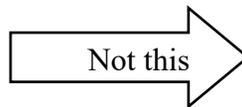

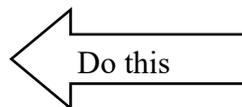

From the surface, your curb stop looks like a round metal plate, approximately three inches in diameter with the word "WATER" stamped on the top. Below the surface, there is a box that contains a valve which controls the flow of water to your property. This valve is accessed with a special wrench which turns the valve on or off.

Generally curb stops are located near the sidewalk (or street if you don't have a sidewalk) at the front edge of your property. Please ensure that your curb stop is free from obstructions such as mulch or blacktop. WTMA staff can assist you in finding your curb stop if you are unable to do so.

Hydrant Access

A reminder to residents with fire hydrants that unobstructed access to fire hydrants should be maintained at all times. Landscaping, or other obstructions should not be placed within four feet of a fire hydrant. It is imperative that emergency personnel be able to quickly locate a fire hydrant in the event of an emergency.

Water/Sewer Payment Options
