

Lititz/Warwick Trailway

The Lititz/Warwick Trailway was constructed on a .67 mile section of the former Reading Railroad bed between Oak Street in Lititz Borough and Clay Road in Warwick Township.

The trailway provides a macadam walking, biking and rollerblade trail, connection to other trails, and signage detailing historic properties adjacent to the trail. The trail extends through natural areas featuring vegetation and wildlife common to this area.

Parking is provided at the Warwick Township Municipal Campus located across Clay Road from the trail. A solar pedestrian crossing and brick surface was provided along Clay Road to advise motorists of the trail crossing.
