

Heroes help others.

Lititz Lieutenant John Shoultz and Firefighter Sam Habbershon

Be a hero and join our team!

One of the most important missions of the Warwick Emergency Services Commission (WESC) is to fill the dire need for volunteers. All of our volunteers have a common purpose; a sincere and compassionate desire to help those in need. These are the heroes who come to the rescue and save lives — in fires, car accidents and even natural disasters.

WESC is seeking:

Firefighters • Fire Police • Ambulance personnel • Record Keepers
Fundraisers • Accountants • Grant writers • IT Service personnel
