

2022 WESC FIRE AND EMS STATISTICS

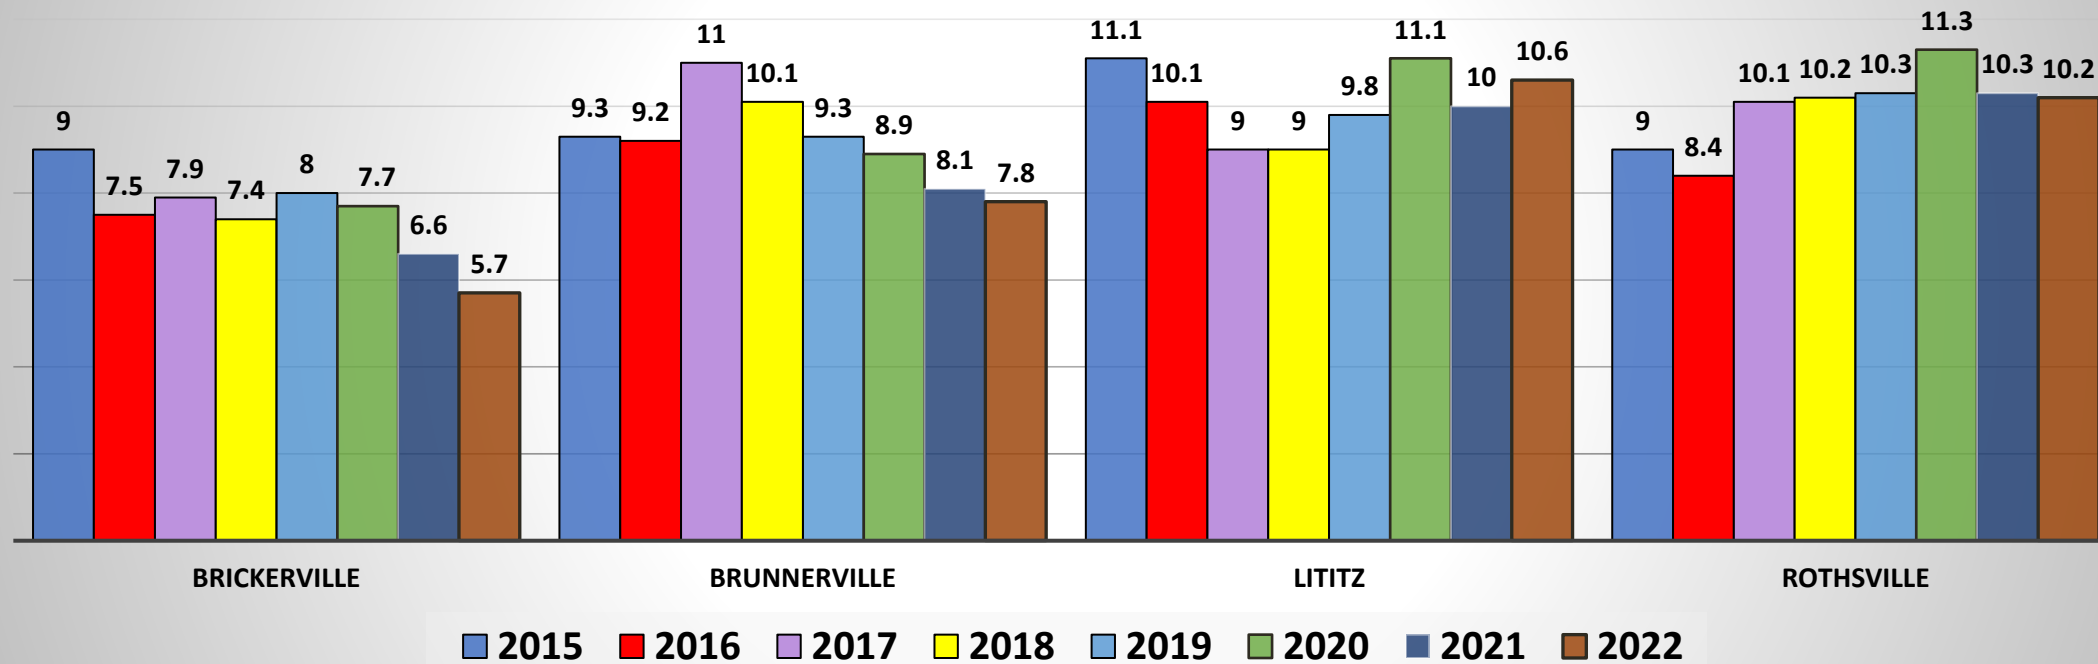

8 years of showing a consistent call volume and trend among the four fire companies

**Data showing
number of first due
calls (calls within
own fire district),
number of mutual
aid responses, and
total calls
responded to.**

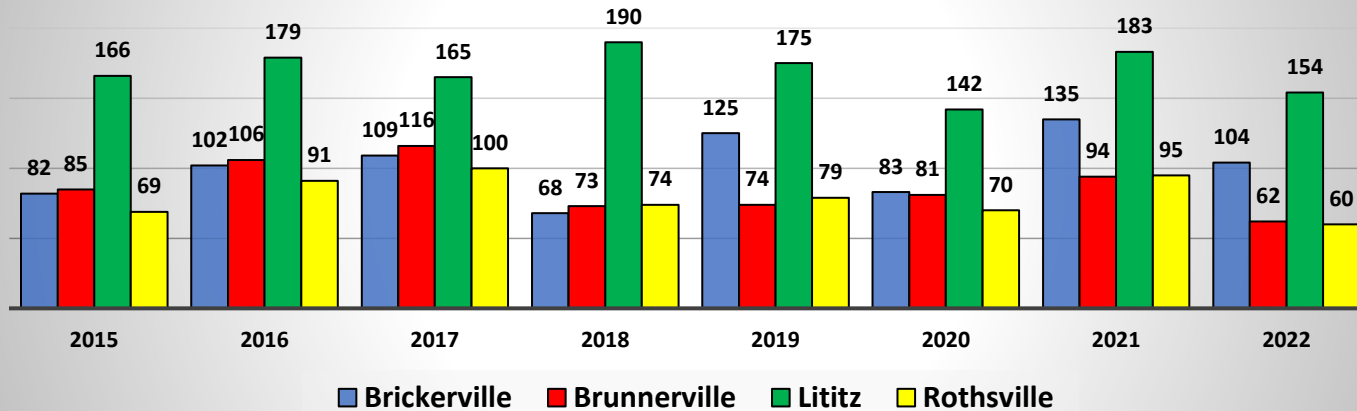

Avg. FF's per call 2015-2022

**8 years of showing average number of responding firefighters per call
(does not include Fire Police, Fire Commissioner or Assistant).**

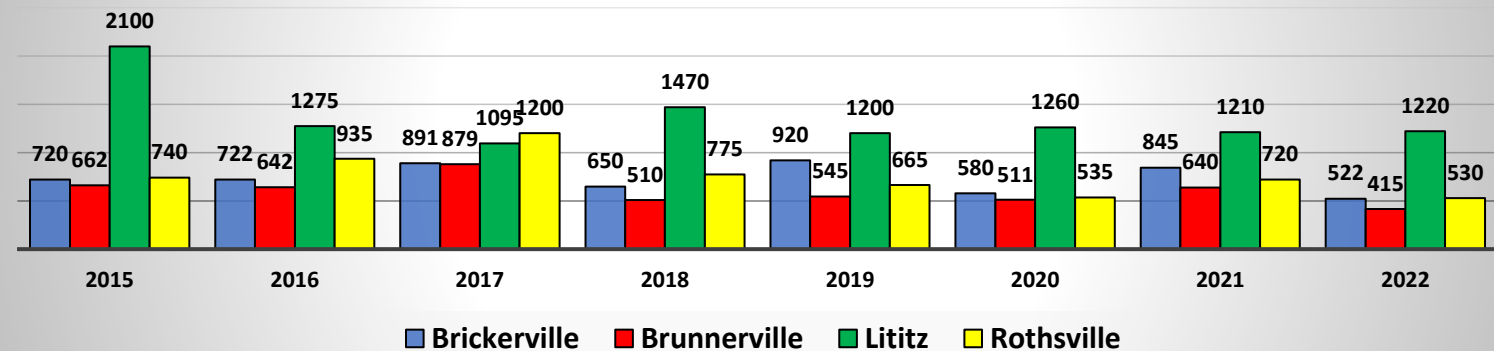

Fire Co. Hours in Service at Incidents 2015-2022

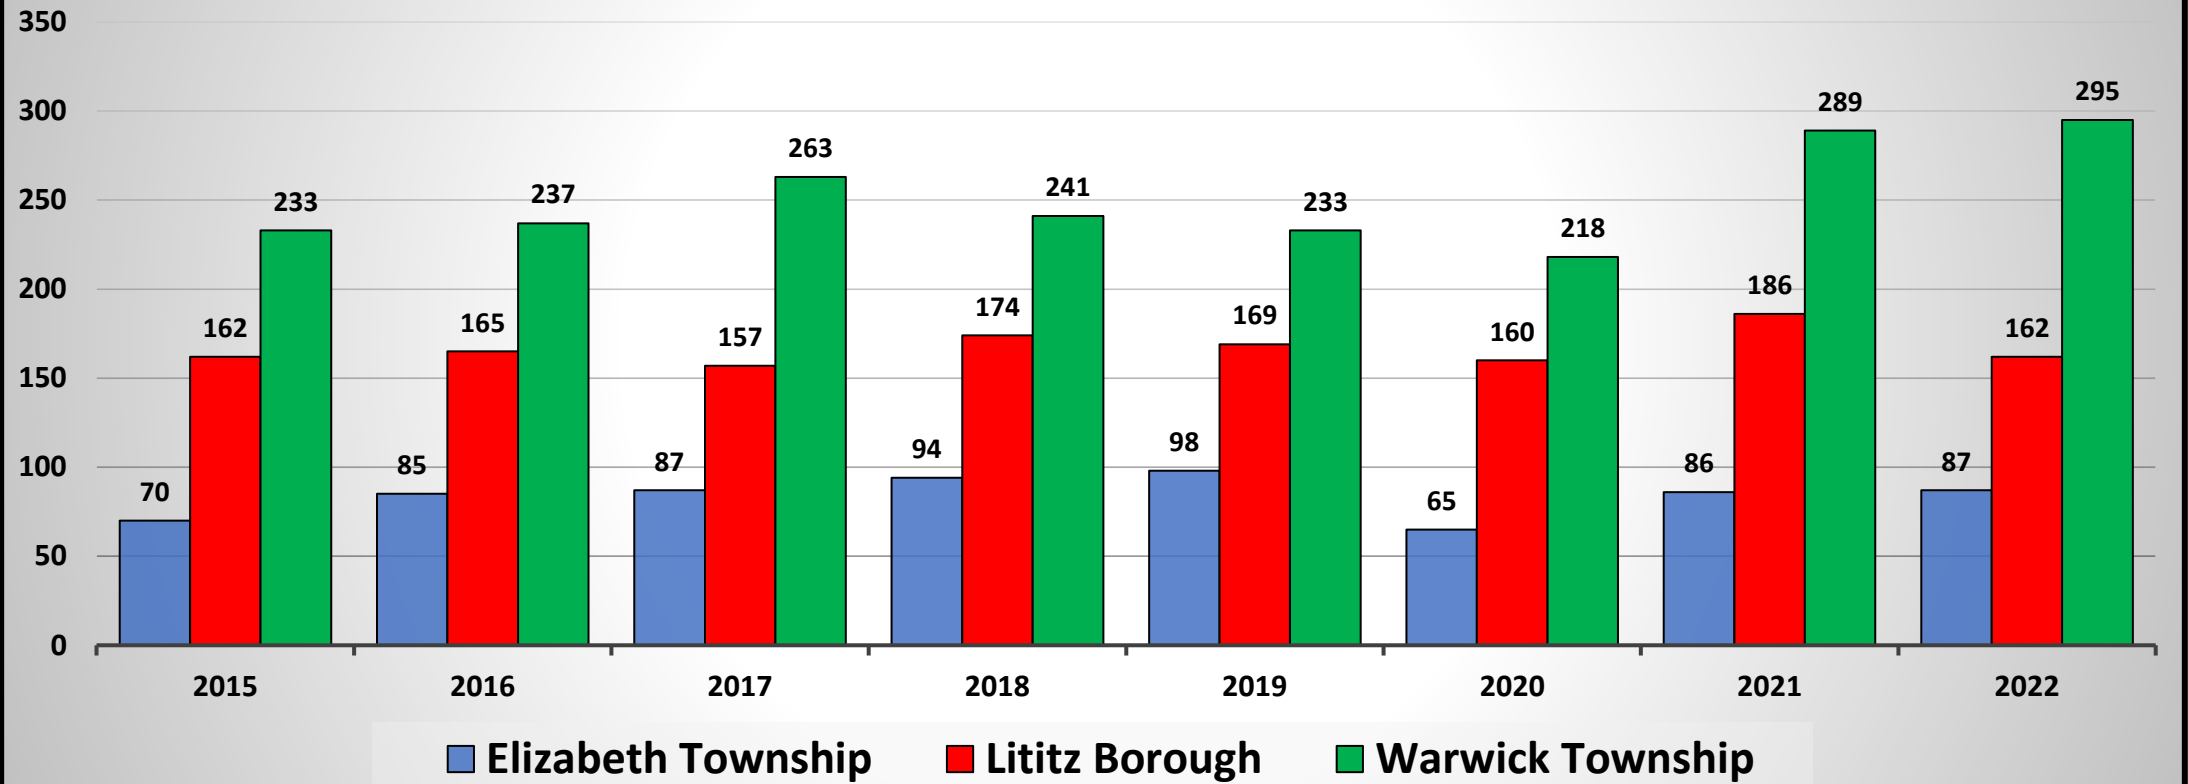

8 years of data showing total number of hours spent in service at fire calls (left), and total number of man-hours in service at fire calls during past 8 years (below).

Both charts show data that can be impacted by just a handful of long-duration incidents, and the number of responders at those specific incidents.

Fire Co. Manhours at Incidents 2015-2022

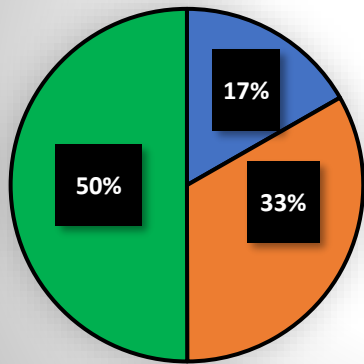

1st Due Fire Calls by Municipality - 2015-2022

8 years of data showing number of fire calls per municipality – consistent trend

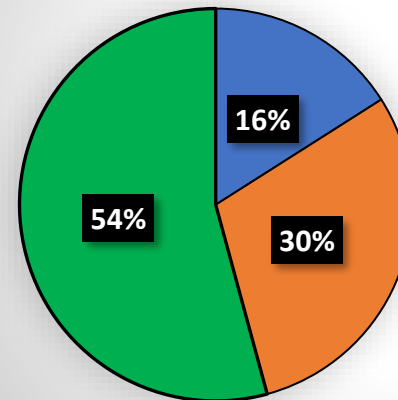

Pct. of Total Fire Calls per Municipality 2015-2022

- Elizabeth Township - 672 Incidents
- Lititz Borough - 1,335 Incidents
- Warwick Township - 2,009 Incidents

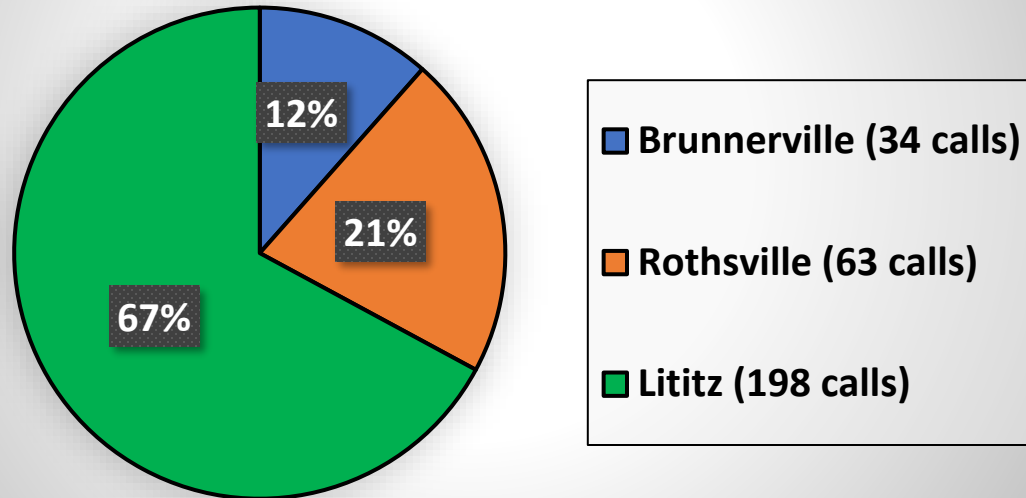

Two charts showing percentage of fire calls in three municipalities in 2022 and during the past 8 years – closely matching percentages between the two charts.

Total Pct. of Fire Calls by Municipality in 2022

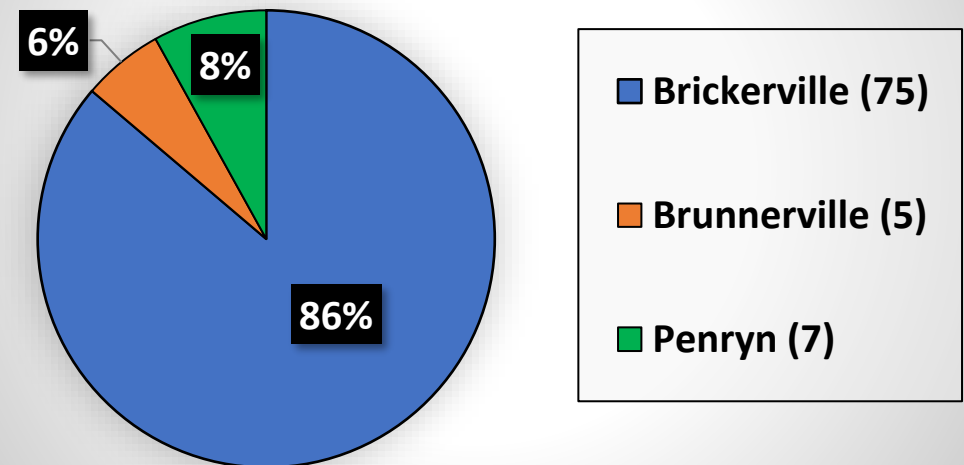

- Elizabeth Township (87 Incidents)
- Lititz Borough (162 Incidents)
- Warwick Township (295 Incidents)

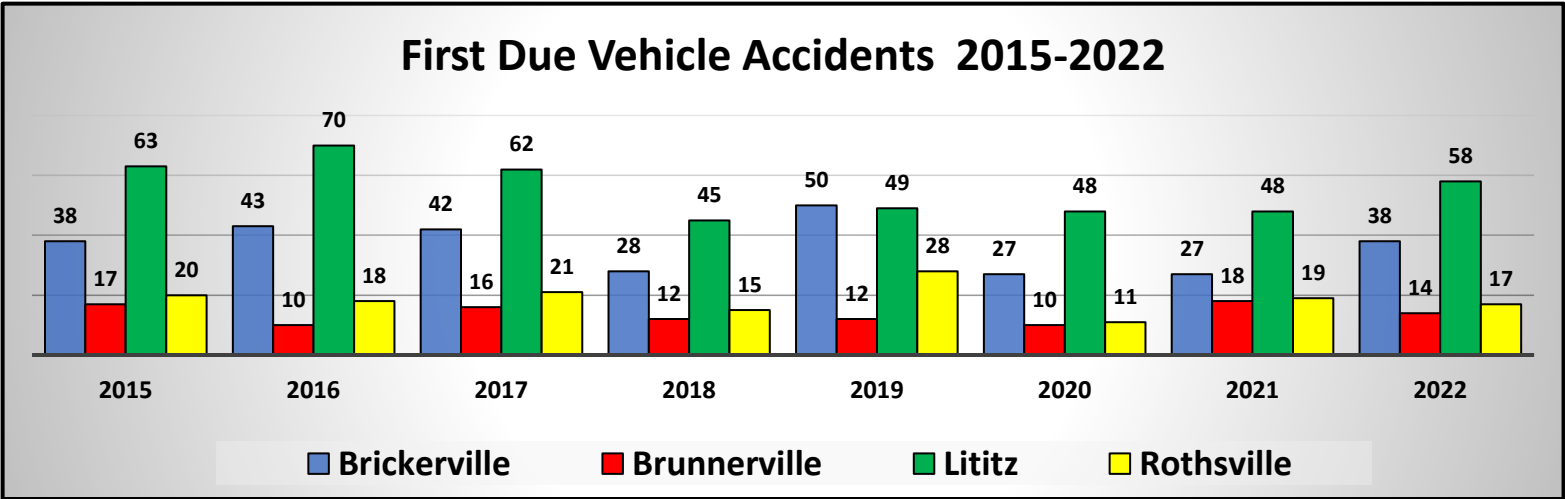

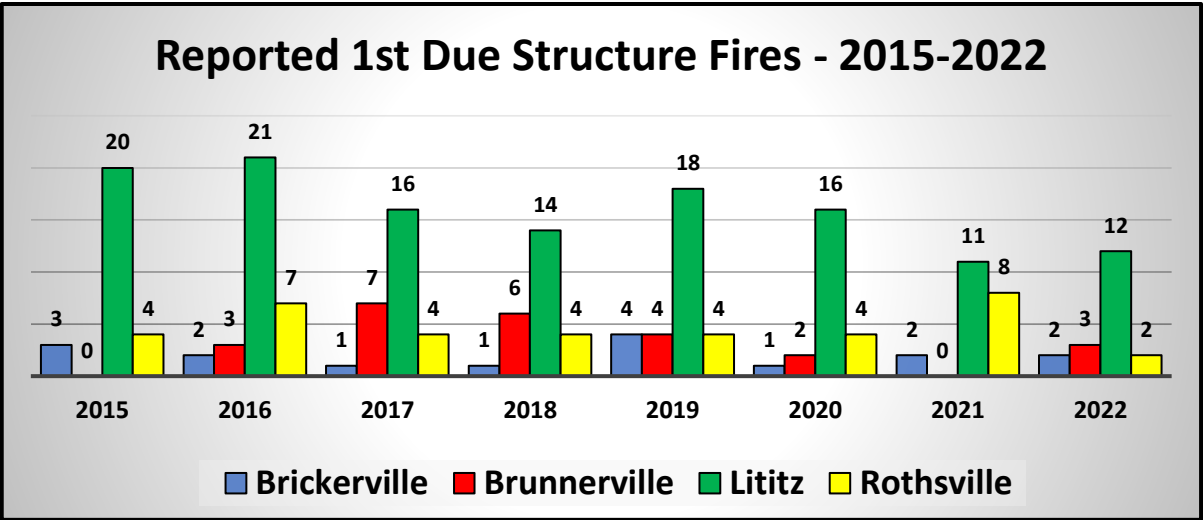

1st Due Fire Calls in Warwick Township in 2022

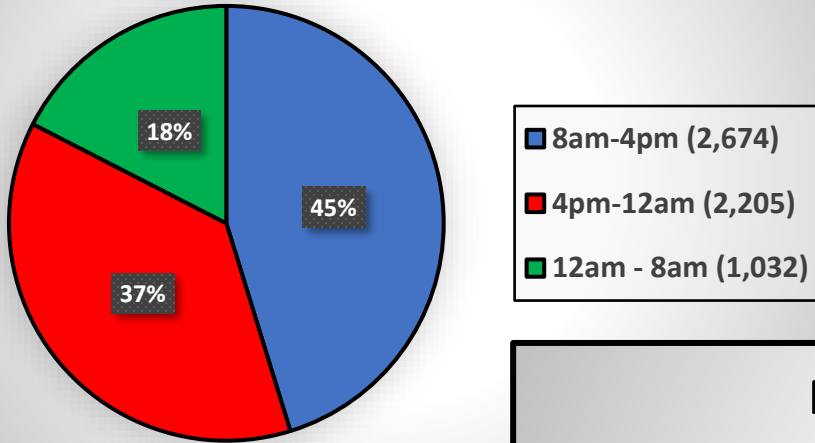

First Due Calls in Elizabeth Twp. in 2022

Charts showing the data from the past 8 years of the two types of “critical” incidents that the fire companies respond to.

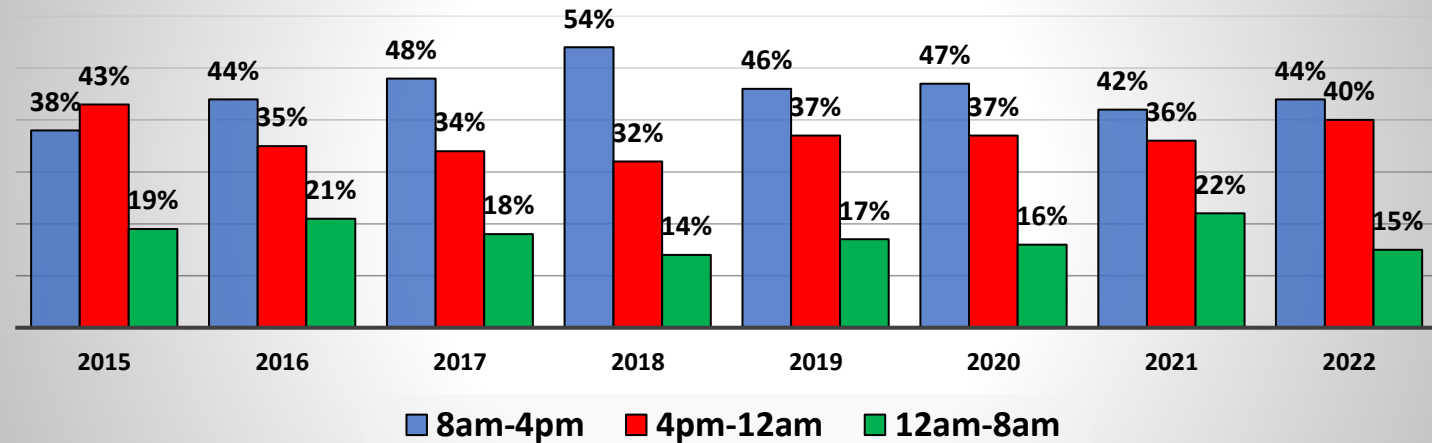

2015-2022 Fire Incidents Time of Day

Two charts showing total number of incidents per three “shifts” of workday (left), and percentage of those calls per year over past 8 years. Highest number of incidents are during daytime hours, when most volunteers are at work.

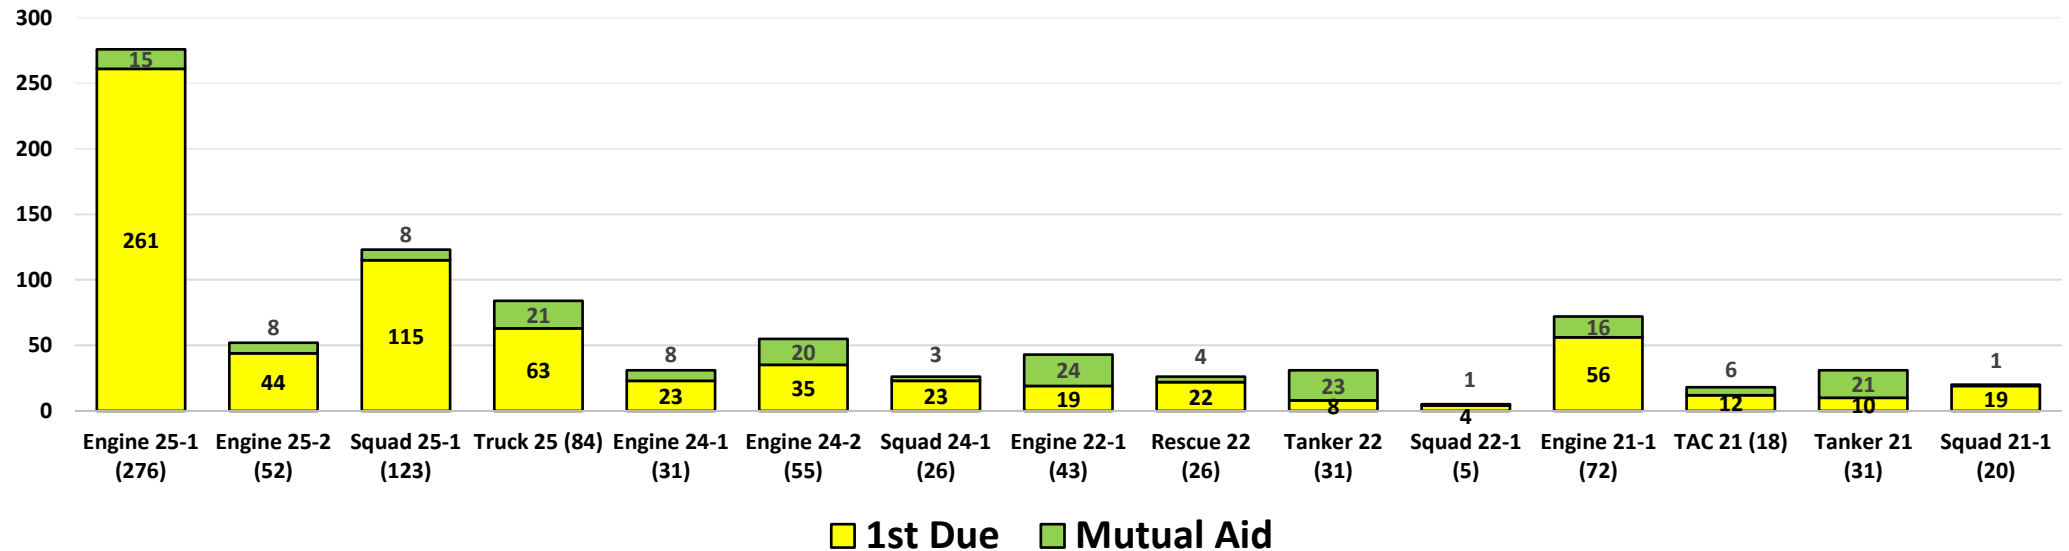

Pct. of Fire Calls to Daily Shift 2015-2022

Total number of responses to specific incident types in 2022 for the four fire companies.
