

Plans Display Survey

Please take a few minutes to fill out the survey so we may better understand your concerns.

PennDOT plans to replace the existing narrow structure which is in poor condition with a new structure providing enough width for one lane in each direction plus shoulders on each side. The road will be closed during construction with a detour route posted.

1. Do you favor the proposed improvements and replacement of the bridge?

1	2	3	4	5
Strongly Object	Somewhat Object	Neutral	Favor	Strongly Favor

2. Do you have questions about the project? Please Circle - Yes No

If so, please list your questions and the project team will get back to you. (You will need to provide your name, address and phone # on the back of the form).

3. The proposed method of Traffic Control presented has been evaluated and developed to provide the most cost effective and the least disruptive plan for this type of construction. Traffic will be detoured along the route shown on the display. Please tell us any concerns you may have with the detour.

4. Are the plans informative?

1	2	3
Not Informative	Somewhat Informative	Very Informative

What could be done to improve the presentation?

(continued other side)

5. Do you have other specific comments or concerns? Please list them and the project team will get back to you. (You will need to provide your name, address and phone # on the form below).

.....

Please provide the following information in the event we wish to contact you for follow up information.

Name_____

Address_____

Telephone/Email_____

Thank you for taking the time to give us your comments and suggestions. Survey Forms may be dropped into the box provided or mailed to the address below before November 9, 2018.
