Re: Pine Lane Estates Storm and Sanitary Sewers
Warwick Township
NOTICE OF CONSTRUCTION

Dear Resident,

Please be advised that Fidelity Contracting LLC has been awarded a contract to conduct sewer repairs along Buttonwood Drive and Pinewood Avenue. The purpose of this letter is to give you notice that we will soon begin construction in the proximity of your home.

Be prepared for our arrival the week of May 4th. We expect the sanitary sewer work on Pinewood Drive to be about three weeks, followed by the storm sewer work on Buttonwood Drive. You can expect temporary closures of these streets during the day, although we will reopen any closure by 4:30 PM.

Residents will be given access to their properties during the construction, and we can assure you we will keep disruption and inconvenience to a minimum.

If you have any questions about our work, or if you need some accommodation, please feel free to see the Site Supervisor.

Thank you in advance for your cooperation.
