

## **Sturgis/Tshudy Property**

### **Warwick Township**

### **Lancaster County, PA**

The area behind the Sturgis Pretzel Factory was stabilized and regraded in 1994-1995 by Donegal Trout Unlimited volunteers. In 2000, LandStudies added two rock veins to protect the banks from erosion, 40 feet of biostabilization, and tree planting. Natural Channel Design Technique was used to create pools and riffles for fish habitat.
