

Warwick Township

W. Logan Myers Park

The W. Logan Myers Park is located at the intersection of Clay Road and Route 772 (Rothsville Road). This 3.5 acre ecological park includes a wetlands area, warm season grass meadow, and instream habitat structures. This park has a stone dust walking trail that winds through this natural area. The comprehensive theme of the park is ecological watershed management and its benefits.

The implementation plan for the park was supported by the Donegal Chapter of Trout Unlimited, the Warwick School District and Warwick Township.

The park provides open fishing along the south side of the Lititz Run stream that flows through the park. In addition, the park has an ADA accessible wooden fishing deck. The parking area is accessed from Route 772 (Rothsville Road).
