

# Warwick Township

## Dean L. Saylor Park

The Dean L. Saylor Park extends through Warwick Township and Lititz Borough and consists of 41.65 acres. The land area within Lititz Borough is approximately 6 acres. The active recreation portion of the park extends from Market Street in Lititz Borough to Newport Road in Warwick Township. This area contains 2 soccer/baseball fields, playground equipment, a restroom facility and an 8' wide macadam walking, biking and rollerblade trail that extends approximately 3,200 feet. The passive recreation portion of this trail extends 1,800 feet north of Newport Road and consists of a stone dust walking trail that winds through a natural area. A restroom facility is located within the park near the parking area at Market Street.

The portions of the trail extending north and south of Newport Road are accessed via a boardwalk located under Newport Road for pedestrian safety.

Parking is provided along Market Street in Lititz Borough and at Newport Road in Warwick Township.

Warwick Township and Lititz Borough sponsored the project as a joint effort to address the recreational needs of the community.

This park was formerly known as the Warwick Township Linear Park. The Board of Supervisors, at their November 1, 2017 meeting, agreed to renaming the park in honor of the Roadmaster, who passed away on October 9, 2017 at the age of 51. The park was one of the first projects that Dean supervised, and he was instrumental in its construction.
